Ralph Nitschke

Senior Project Manager at Visier Inc.

May 16, 2020, Carlos worked with Ralph in the same group

Carlos is an intelligent and driven individual who is passionate about delivering outstanding customer value and building his skills. On the many the projects on which we collaborated, he took the initiative to develop technical solutions to overcome implementation challenges, and partner with the customer to help meet their objectives. His strong work ethic and open collaboration has received numerous kudos from project leads and has helped to often defuse what would otherwise have been an escalated situation. It was a real pleasure to work with Carlos, and I look forward to the opportunity to work with him again. [See less](#)

Natalie Black

Workforce Planning Consultant at Visier Inc.

Carlos is such a smart guy and so much fun to work with. We worked on some challenging projects together, and I was always impressed by his knowledge and commitment to doing things right. I will miss working together!

Ken Story

Software Developer at Jungle Scout

November 6, 2019, Carlos worked with Ken in the same group

Carlos is a talented individual and a major asset on the Business Intelligence team. He consistently goes above and beyond to educate customers on the usage of Visier's product suite, and is much sought after by clients for his ability to design analytics solutions with minimal headaches and a quick path to value. He brings considerable technical knowledge to the team, and frequently engages with clients directly to solve in-app issues without the need to consult developers or data engineers. His passionate, multi-talented nature continues to drive customer engagement with fast results, and his expertise on calls is always greatly appreciated when dealing with challenging HR implementations.
